

BOS Methode Agricole 2023

VARIETAL:

Valvin Muscat and Pinot Blanc

VINEYARD:

This vintage is a blend of Valvin Muscat from Interlochen and Pinot Blanc from Old Mission Peninsula.

CELLAR:

The fruit was fermented to dry, followed by a light filtration. This gives the wine a better consistency between bottles as well as providing a beautifully light effervescence.

The Valvin is aromatic while the Pinot Blanc gives it structure. The lighter bubbles makes it a fun wine to drink and share.

TASTING NOTES:

Lilac & Lemon Balm
