

BOS Riesling

2021

VARIETAL:

Riesling

VINEYARD:

This fruit is 100% Riesling from a combination of two different vineyards on Old Mission Peninsula. This vintage is recorded as both the wettest year and one of the warmest years. There were many warm fall nights allowing some of the acidity to drop out and allowing the flavor profile to ripen.

CELLAR:

The fruit from both vineyards were vinified together in tank where the temperature of fermentation was controlled. The structure of the wine is both ripe and sturdy. A stunning example of time & place.

TASTING NOTES:

Ripe Nectarine &
Fennel Seed
